INTEL INSTITUTE

The Premier Institute in Nepal for Bridge Courses

www.intelinstitute.com
Bagbazar, Kathmandu, Ph: 4243944/4249090

INTEL Institute is a member of CAN
(Computer Association of Nepal)

An ISO 9001:2000 Certified Institute

About INTEL

Established in 1995, INTEL is a certified Institute – ISO 9001: 2000. It has notable educational aims and meets all the required academic standards. The INTEL Bridge Course (post-SEE) has helped more than 50,200 students over 28 years to prepare for college admission and further education.

We exactly know the real needs of students. Our teaching learning methodology has greatly assisted our students to achieve their educational goals. INTEL is therefore hugely popular for its exclusive & effective Bridge Course.

Why INTEL?

The Premier Institute for Bridge Courses

1

The premier institute in Nepal for Bridge Course preparation since 1995

2

High success rate in entrance tests of top colleges like St. Xavier's, Budhanilkantha & SOS

3

Large number of scholarships in reputed colleges won by our students

4

Intensive course deepening their knowledge in a competitive environment

5

Most effective classes by experienced & committed teachers

6

Ample Study Materials: 6 books & 12 model question sets

7

Model Tests every Saturday based on entrance test patterns with motivating cash prizes

8

Scholarships given to deserving Bridge Course students

9

Personality Development, Counseling & ECA Contests

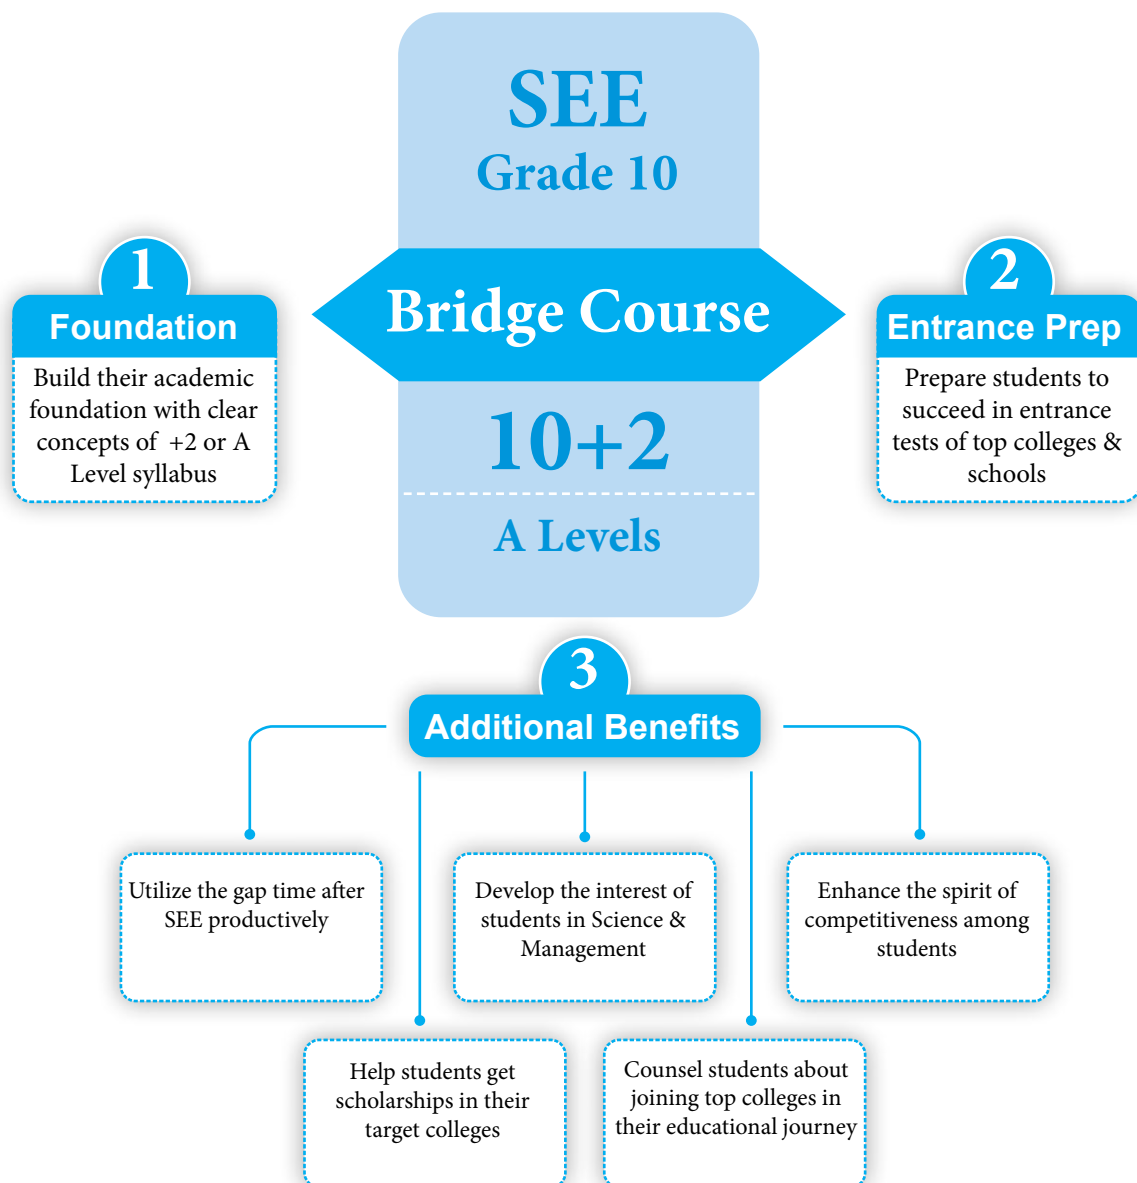

10

Excellent administration & disciplined atmosphere

INTEL Bridge Course

The Bridge Course is essential for competing students who wish to get admitted to their target 10+2/colleges. The Course is a popular program immediately after SEE for students who aim for success in the tough entrance tests. Alongside, our Bridge Course builds an academic foundation for their further learning and improves performance during studies in 10+2/Colleges.

Why the Bridge Course? Your Best Pathway to Higher Education!

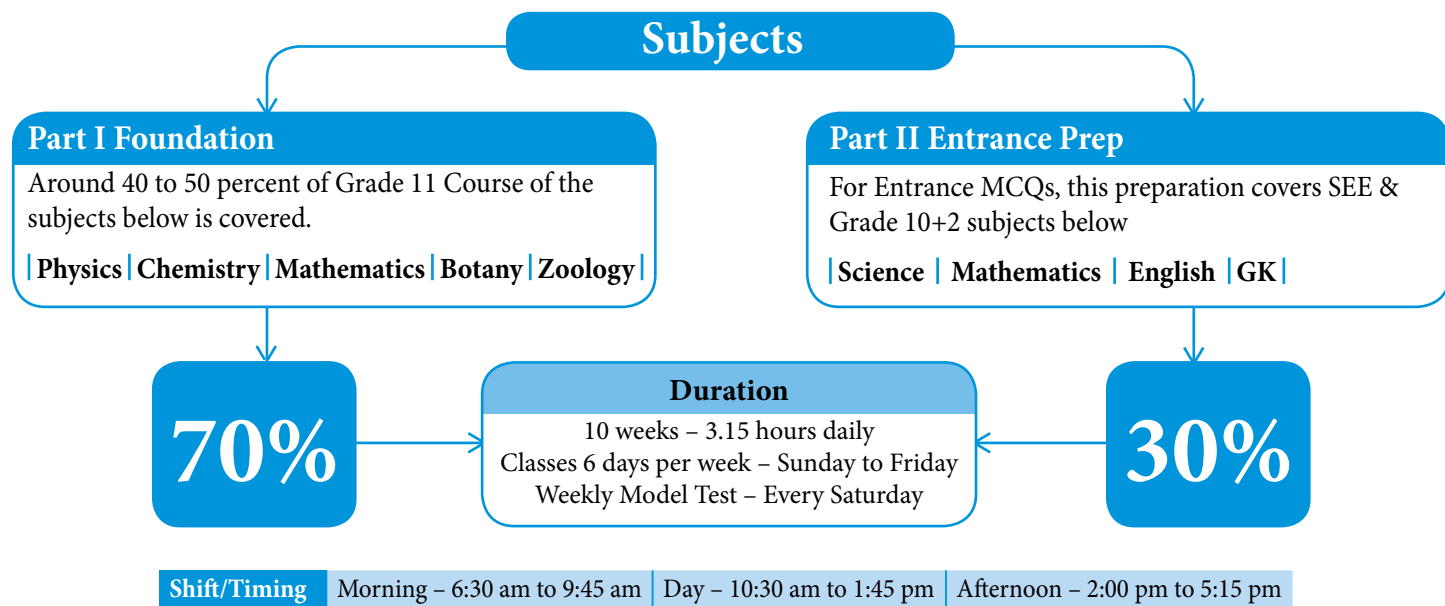

Our Courses

INTEL offers 4 special packages of its Bridge Course. These are specially designed for students planning to do +2 or A Levels in Science or Management after SEE.

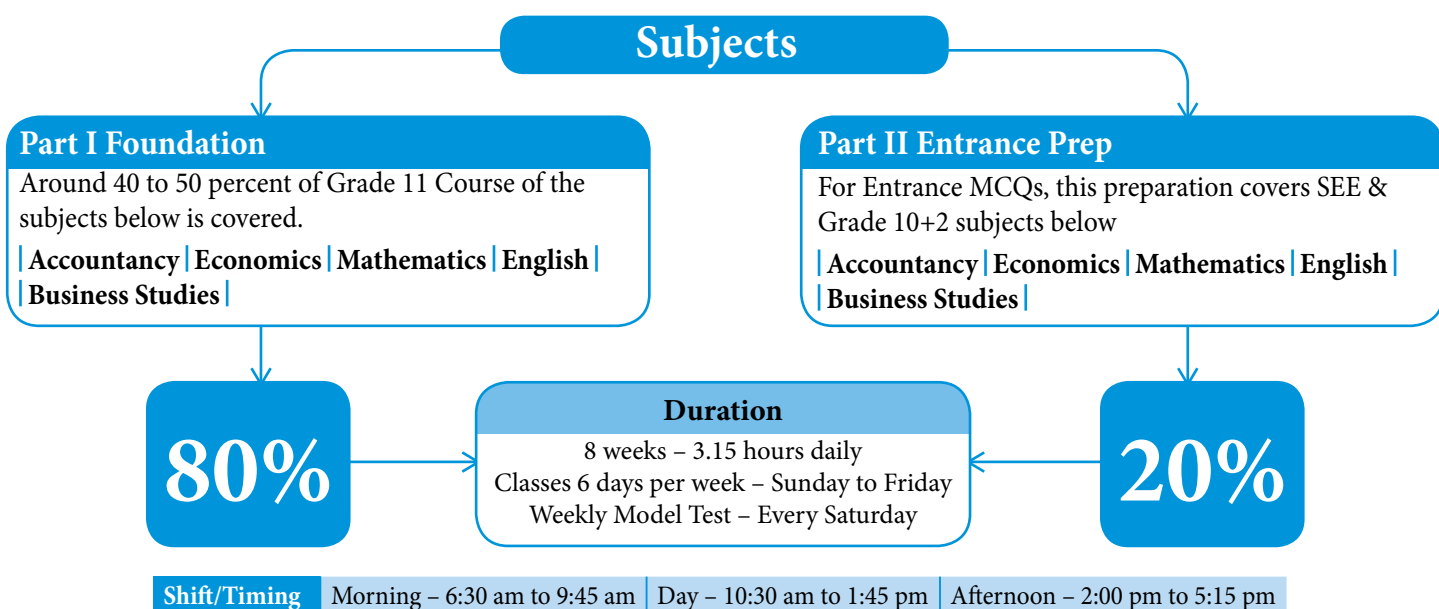

Advanced Science Course (ASC)

The Advanced Science Course is a very popular course at INTEL. Due to the vast difference between SEE & 10+2, it is vital to bridge this wide gap in the learning of Science Subjects. While Science is taught as one subject up to SEE, it is divided into Physics, Chemistry & Biology in 10+2. Alongside, ASC prepares them for entrance tests of top 10+2/Colleges.

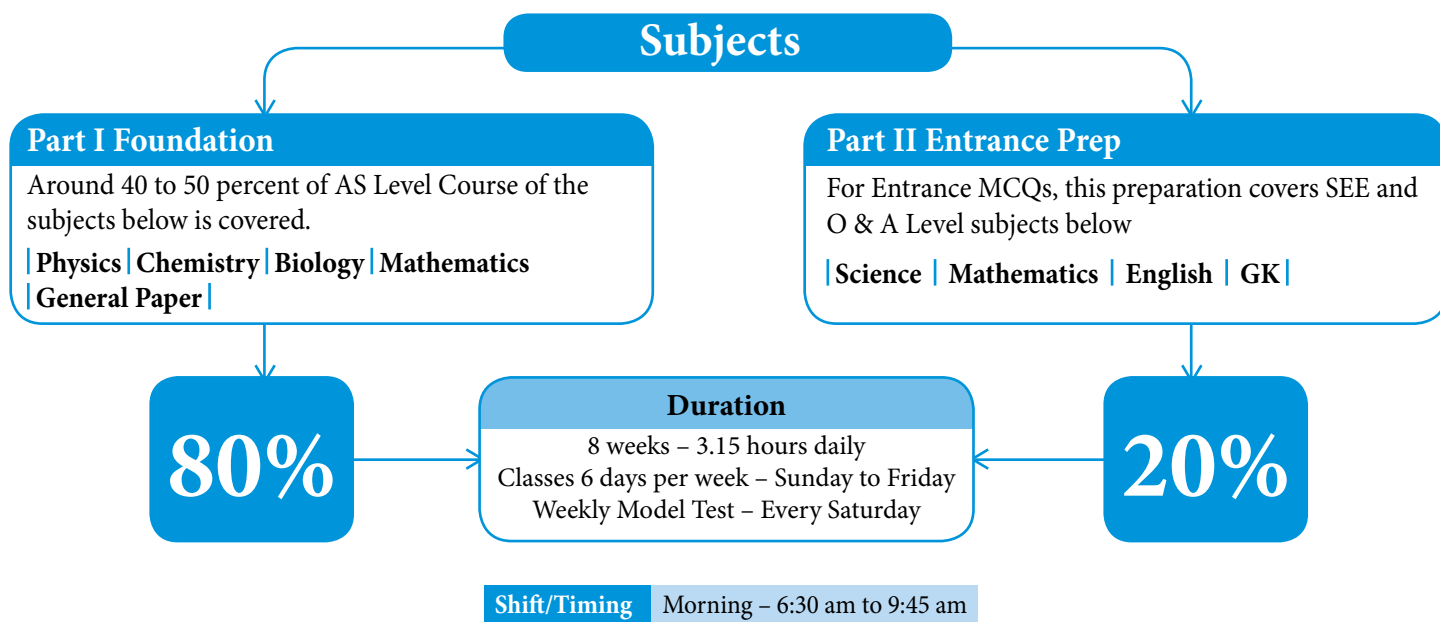

Advanced Management Course (AMC)

This Course teaches students from the basics to Grade 11 level of subjects in the management stream. Around 40 to 50 percent of Grade 11 Course of the subjects below is covered. Alongside, AMC prepares them for entrance tests of top 10+2/Colleges.

A-Levels Bridge Course (ABC)

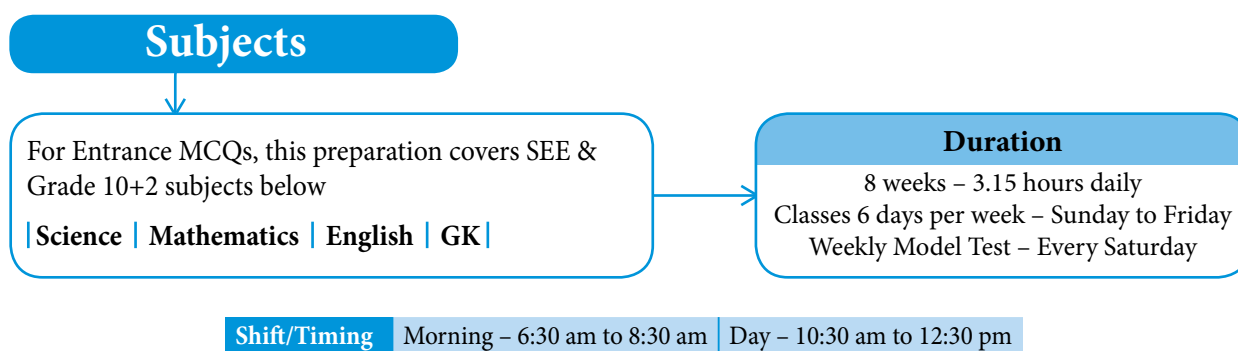

Cambridge A Levels follow a different teaching-learning approach from the SEE so that this Course makes students get familiarized with what they will have to study in A Levels. Also, the Course prepares them for entrance tests of top A Level College normally based on the Cambridge O Levels school pattern.

Entrance Preparation Course (EPC)

Getting admission in reputed 10+2 school or colleges is highly competitive. Our Entrance Prep provides intensive classes for those students wishing to succeed in entrance tests for admission to top 10+2/Colleges.

St. Xavier's Campus | Budhanilkantha School | SOS, Sanothimi

Fees

1. Advanced Science Course	Rs. 14,000
2. Advanced Management Course	Rs. 11,000
3. A-Levels Bridge Course	Rs. 11,000
4. Entrance Preparation Course	Rs. 11,500

Notes

- Full fees for each Bridge Course Package must be deposited at the time of enrollment.
- Fees include admission, tuition, study materials, and tests & examinations.
- Fees once paid are not refundable except in the case of INTEL Scholarship Winners.

Advantages of Studying

1 Learn from the best teachers.

Our faculty members are highly qualified, very experienced, and totally committed professionals who have been teaching in the top-most 10+2/Colleges of Nepal. They ensure that teaching is motivating, effective & goal-oriented.

2 Benefit from our teaching methodology.

We insist upon the most result-effective teaching methodology which encourages students to ask questions, clear their doubts, and discuss key topics with the concerned teachers. Our course structure includes class instruction, assignments, and tests & evaluations.

3 Get ample study materials.

The Bridge Course study materials are simple, precise, and practical. They are used by all students with great benefit. These excellent study materials, freely distributed to our students, are continually revised & meticulously updated by our experts before every session.

Our study materials

Science	Management
Physics, Chemistry, Biology, Mathematics, English & Question Bank	Accountancy, Economics, Mathematics, English & Question Bank

4 Prepare to be successful through Tests and Exams.

INTEL conducts many carefully designed & strictly managed classroom tests and weekly model tests on Saturdays. There is a final examination at the end of the Course.

The questions are based on frequently asked questions & topics covered in the actual entrance tests of reputed 10+2/Colleges. These are set keeping in mind the latest trends & probable questions for upcoming entrance tests. Our experts work systematically to analyze trends & to prepare likely questions and their best possible answers.

5 Appraise your learning from accurate evaluation.

Thorough evaluation is conducted after each test & the progress report of the same is posted on the notice board & our website. Students are given counseling about the tests. Also, special classes & tutorials are given to improve student performance.

6 Develop your personality.

The Program dwells chiefly on areas closely related to the personality development of INTEL students with a view to enhance their self-confidence & educational proficiency. It covers personal grooming & hygiene, good manners, mobile etiquette, overcoming laziness, time management, fine qualities, and goal setting.

7 Utilize our counseling services.

We provide educational & career guidance to students who wish to study in the best 10+2/colleges. As a result, a large number of our students study at St. Xavier's Campus, Budhanilkantha School, SOS, and other reputed 10+2/Colleges.

We provide regular counseling services to our students who appear in the admission tests & interviews conducted by acclaimed 10+2/Colleges. We also guide them how to apply for & to obtain scholarships under different schemes floated by different institutions.

8 Take part in contests and win prizes.

We believe that curricular performance is encouraged & accelerated by carefully monitored complementary co-curricular and extracurricular activities. Accordingly, we organize the following CONTESTS:

- **Essay Contests:** English and Nepali
- **Sport:** Table Tennis and Basketball
- **Game:** Chess

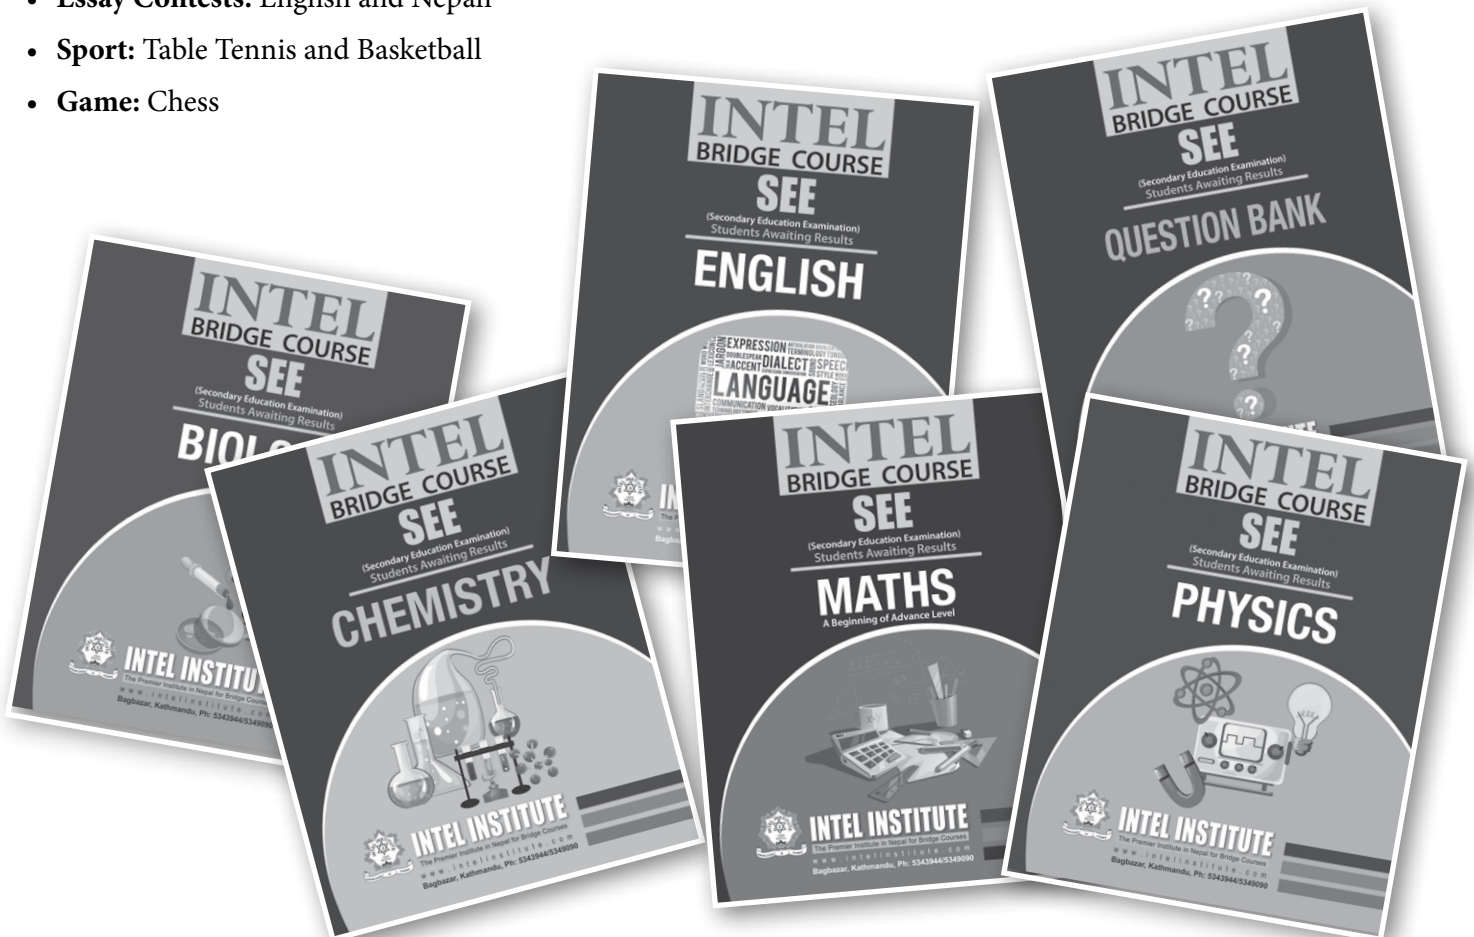

9 Write your own magazine.

INTELLESCOPE, the INTEL Bridge Course Magazine, an important co-curricular activity, is another notable feature which largely helps in the academic development of students.

Such creative writing, compilation, and publishing promote the scholastic abilities & the creativity of our young, keen students. The sort of editorial work necessitated by this semi-literary venture nurtures critical appreciation, language proficiency, team spirit, youth leadership, and managerial skills.

This magazine also informs students about available academic & career opportunities.

All these advantages will definitely help you to gain self-confidence & to get admission to the 10+2/College of your desire.

Four ways to get **Scholarships & Prizes**

1

Scholarships for Sent-Up Toppers

50% and 25% scholarships are directly awarded to school **sent-up toppers and second toppers** respectively. This scheme is for only 200 students on first-come-first-basis. Students must bring their sent-up results duly attested by the Principals of their schools.

2

Scholarships Tests

INTEL Institute holds three Scholarship Tests over a period of three weeks from the commencement of the Bridge Course. The test questions relate to prescribed English, Science, Mathematics, and GK norms. Sample questions for this Test can be collected from the INTEL office.

Only those students who enroll at INTEL are eligible to sit for these Scholarship Tests. Regular Bridge Course students can appear only in one of these similar Scholarship Tests held on three different dates.

Scholarships are awarded to the top five rankers in each of these three Scholarship Tests.

Ranks Fee Waivers

1	100% Scholarship
2	80% Scholarship
3	60% Scholarship
4	40% Scholarship
5	25% Scholarship

3

Saturday Model Test Prizes

We offer CASH PRIZES to the top ten meritorious students of each INTEL Saturday Model Test.

These PRIZES fully motivate our students to study even harder during the Bridge Course and greatly encourage them to strive for recognition by dedicated hard work and to toil for excellence by constant practice.

By fostering healthy competition in an appropriate academic setting, these PRIZES strengthen students' foundational knowledge, hone their educational skills, build up their self-confidence, and, eventually, help them to compete most effectively in the actual Entrance Exams.

4

Final Examination Prizes

Bridge Course students who come 1st, 2nd, and 3rd in the INTEL Final Examination at the end of the course will be awarded.

Ranks Fee Waivers

1	Rs. 7000
2	Rs. 5000
3	Rs. 3000

INTEL Final Exam Topper

The Best Institute for Post-SEE Students

Being a part of INTEL Institute is something of which I'm really proud! After SEE a student needs a proper guide, friend, and philosopher . . . A role this laudable institution provides beautifully. It tells us what pathway we need to take to realize our objectives in our educational future.

INTEL gave me all I needed to achieve my ambition. Its administration, faculty, and resource persons are excellent. So is its teaching! Teachers here make us understand difficult subject matter rather easily. Obviously, this is the best institute for post-SEE students who wish to do Bridge Courses pre-entrance exams. Thus, I suggest all my younger brothers and sisters MUST come to this Institute after finishing their SEE to get the academic success they seek. All said and done, INTEL, without any doubt, is the best among the best.

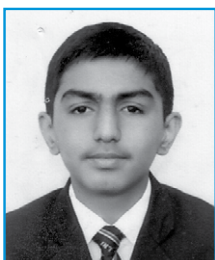

Karan Kumar Shah
School – LA
College – St. Xavier's

Who doesn't know INTEL?

Who doesn't know that INTEL is the most renowned Bridge Course institute of Nepal?

However, only its former students know in actual fact how excellent it actually is . . . Its students gain vital knowledge about available higher secondary courses and subject combos. Miraculously, this Institute delivers top-quality education in a few weeks at really affordable fees! In truth, after doing a study course there, when we join colleges for higher studies, we don't face any difficulties whatsoever. In particular, the Bridge Course is a bridge, a golden bridge, which smoothly connects our previous educational levels to new standards in higher education.

Above all, INTEL helps us become self-reliant and teaches us to value knowledge. Thanks a million for such life-enriching support!!

Sujal Bhurtyal
School – LRI
College – St.Xavier's

A Great Platform

Indeed INTEL is a great platform for post-SEE students to realize themselves and to hone their talents. The excellent academic environment and the unparalleled meritorious teachers are its main strength. Like many others, I was also pretty confused about choosing an appropriate +2 college & subject combinations for my further studies but INTEL gave me complete and correct information and a new dimension to my half-baked ideas and plans.

If you too want to shape your future, I would strongly recommend that you should join the late spring Bridge Course at INTEL and blossom into a successful being!

Prachi Malla
School – Triyog
College – St.Xavier's

Top in Entrance Exams!

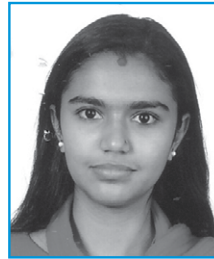

Everything has an end! I found myself most glad at the end of the INTEL classes as I could realize all the self-improvement I'd undergone and all that I'd gained as a student striving for the very best. The classes here are conducted by the most experienced, the most competent, and the most professional of teachers ONLY. Hence, these most effective and highly qualified teachers bring about sudden and major changes in Bridge Course students. Their biggest contribution lies in coaching us completely so as to enable us to top in the entrance exams of the best colleges.

Garima Thapa
School – SVI
College – St. Xavier’s

Unique Bridge Course

Definitely, INTEL Institute is the best in Nepal. It provides everything a post-SEE scholar needs, especially its unique Bridge Course for entrance preparation. It provides students a silent and congenial environment for studies. It prepares would-be college students to handle their secondary course books without fear or failure and to face the toughest or most exacting of teachers anywhere. INTEL makes our journey to further education pretty smooth. Magically, it eventually does make a student’s college life far brighter than he or she can ever imagine!

Aryashila Sapkota
School – Sainik Awasiya
College – St. Xavier’s

Solid Entrance Preparation

Like so many of my peers, I too was in a complete dilemma about where to do a Bridge Course after SEE as there are lots of institutes with attractive advertisements. Choosing INTEL, I felt like I had made the best decision possible because the teaching and learning environment there is wonderful. This Institute provides us with good reading materials along with sample questions for effective entrance preparation. It was a mesmerizing experience, in a way, to be at INTEL for me. The quality of their course is superb and it is this that makes the Institute so special. So, I would suggest post-SEE students to join INTEL without thinking twice and properly utilize their free time for success in their collegiate life.

Sayan Raj Dahal
School – Galaxy
College – St.Xavier’s/SOS

A World of Scholastic Competition!

We all remember our first day at INTEL when we had one of the greatest experiences of our young lives. Here, we realized we had truly entered the world of scholastic competition . . .

Why do good students prefer INTEL? This Institute gives the best opportunity to bridge the gap between SEE and +2 or equivalent levels. Its teachers are extremely proficient and most supportive.

This is to express my deep thanks to, and admiration for, this leading Bridge Course institution and to recommend strongly that every sincere student must join INTEL after the SEE exams to prepare successfully for tough college entrance tests.

Khusbu Joshi
School – Gyanodaya School
College – Budhanilkantha

The Perfect Environment

Undoubtedly, INTEL provided me the perfect environment I was looking for post-SEE. We got a valuable glimpse of +2 education and effectively revised whatever we had learned up to Class 10.

The Bridge Course served as a perfect formula for our academic success and assured our entry into the colleges of our choice – for me St Xavier’s! All in all, the delicate transitional period after high school that I spent at this top institute will surely bear fruit in the years to come . . .

Thanks INTEL!

The 10-week super-educational journey at INTEL was a most memorable one in my lifetime . . . It was a period during which I learned, and achieved, much. Today, I'm in one of the preminent colleges in Nepal just because of what I acquired in the Bridge Course here.

Supportive teachers with fantastic skills turned us into excellent doers. The INTEL Family did not waste a minute of our precious time. It built us up during those worrisome days by keeping us happily engaged in fruitful academics as well as by nurturing both study and life skills through great learning.

Best wishes INTEL!

A Great Experience!

Well, I'm absolutely sure that INTEL has been most beneficial to me. At first, when I'd thought of doing a Bridge Course, many of my relatives and peers told me about this institute...INTEL was truly a great experience!

And I must express my heartfelt thanks for all that INTEL did for me. The teachers, staff, and all other members of this Institute were a great support for my further studies. And I hope that in the days to come this institute will be even more successful. All the very best for the new students joining INTEL where success will certainly be their award!

The Best Institute of Nepal

For me, the Bridge Course has been a huge support for my college studies. INTEL Institute is one of the best institutes of Nepal; it certainly helps students awaiting Grade 10 (SEE) results to boost their academic capability. I found that this Institute provides a stage for post-school students to explore themselves greatly. It uplifts their self-confidence and helps them to come to grips with the courses of Grade XI. No wonder I have done so well in my college studies! Overall, I can say without any doubt, that INTEL is clearly the best institute in Nepal for the Bridge Course. Hope it will prosper all the more and continue to change the lives of many other post-SEE students just as it has changed my life so admirably . . . So, keep it up INTEL!! I'll never forget you.

Fabulous Moments

The three months that I spent at INTEL were the most fabulous moments of my life post-SLC. Along with widening the horizon of my knowledge, I also gathered many valuable memories for the rest of my life. This Institute provided me with the right platform to showcase my talents. Along with getting to know many well-reputed and experienced teachers, I also tied knots of friendship with many brilliant youngsters of my age. Importantly, I got a true glimpse of what is possible in my life ahead through what I learned at INTEL.

A Very Special Place

INTEL occupies a very special place in my memory. Why? The Institute run by a top educational group offers a well-maintained educative environment that yields top results. *Intellians* alone crowd the entrance exam lists in the country and have literally been doing so since decades. The teachers are unimaginably well-trained and the MCQs they provide are the best in Nepal. Regularly-held, thorough Saturday tests help us discover our strengths and weaknesses for building our scholastic abilities outside formal schooling in this important break between high school and college.

BRILLIANT TWINS

Join INTEL's Family

Becoming a part of the illustrious INTEL family has been amazing! We'd passed through the SEE Iron Gate into a different yet challenging world . . . With numerous choices for the future and no decision about what to do later in life, the Bridge Course offering proved a blessing. My career began here!

We're all enormously thankful to the whole of this set-up for making our pre-college holidays exceedingly constructive by teaching interesting, relevant subject-matter, preparing us perfectly for secondary education, and making our thinking clear and focused. Principally, I'd like to thank our remarkable teachers and considerate staff members for making our short stay so productive.

The Topper Twins Tell Us That . . .

Guys, most honestly, joining INTEL is a step you MUST take without thinking twice!

Significantly, I got to study, and collaborate, with an incredibly talented community at INTEL, a completely different edu-world in itself. This did help me to thrive academically apart from getting to know myself. Further, I made many friends and also learned many things – curricular, extracurricular, and co-curricular – which wouldn't have been possible in another institute.

So, I urge you to join the Bridge Course here as it's the best place for you and the Course is perfectly designed and conducted for near-certain success as you compete in pretty problematic college entrance tests. You'll have nothing to regret by joining this unrivaled institute and utilizing every opportunity it offers so plentifully Success is an inevitable fact at INTEL!

Successful Twins!

The turning-point in one's career starts after SLC exams and selecting the right institute for exam preparation certainly makes a huge difference. We made the best decision we could by selecting INTEL as our platform. This Institute gave us the finest 3 months of our life by imparting vital concentrated education through its qualified and helpful teachers. INTEL has played an important role in the achievement of our academic goals by ensuring that we're on the right track. Thank you INTEL for making us a part of your prestigious family and making us realize what all we are capable of doing!
